**Measure Request:** \$3,750,000 in 2019

Project Description: Reconstruction from Bellevue Rd. to Broadway Ave. with ADA sidewalks and relocated crosswalks

### Summary:

- Project Type? Complete Streets
- Regional Basis? On the Regional Road Network
- Agency Priority? Yes
- Other funds? **Local (\$135,000)** (committed funding)

### Request:

- Amount? \$3,750,000
- Percent of Total? 97%
- What Phase(s)? Construction
- When Needed? 2019

## HIGHWAY 99/APPLEGATE ROAD

Atwater

**Total Project Cost:** \$62,000,000 (Interchange only – mainline widening is separate)

**Measure Request:** \$10,000,000 in 2019

Project Description: Reconstruct interchange at Applegate Rd

Summary:

- Project Type? Goods Movement
- Regional Basis? On the Regional Road Network
- Agency Priority? Yes
- Other funds? Unknown

\*Caltrans is currently updating the PSR, which will include new cost estimates.

Request:

- Amount? \$10,000,000
- Percent of Total? 16%
- What Phase(s)? Environmental and Design
- When Needed? 2019

## ATWATER TRANSIT CENTER\*

Atwater

**Total Project Cost:** \$13,408,278

**Measure Request:** \$1,017,320 in 2020

Project Description: Construct Atwater ACE Station with additional accommodations for multi-modal transit operations

### Summary:

- Project Type? Transit
- Regional Basis? Passenger Rail
- Agency Priority? Yes
- Other funds? Unknown

### Request:

- Amount? \$1,017,320
- Percent of Total? 7.6%
- What Phase(s)? Design
- When Needed? 2020

\*The SJRRC has not formally determined whether to build in Atwater or Livingston

## HIGHWAY 99/WINTON PARKWAY

Livingston

**Total Project Cost:** \$1,240,000

**Measure Request:** \$840,000 in 2019

Project Description: Widen Winton Pkwy to include dedicated turn lane for southbound on-ramp

Summary:

- Project Type? Traffic Flow Improvement
- Regional Basis? On the Regional Road Network
- Agency Priority? #1
- Other funds? **LTF, Measure V Local, SB 1 (\$400,000)** (committed funding)

Request:

- Amount? \$840,000
- Percent of Total? 68%
- What Phase(s)? Environmental, Design, Construction
- When Needed? 2019

## LIVINGSTON TRANSIT CENTER\*

Livingston

**Total Project Cost:** \$2,900,000

**Measure Request:** \$2,300,000 in 2020

Project Description: Construct Livingston ACE Station with additional accommodations for multi-modal transit operations

### Summary:

- Project Type? Transit
- Regional Basis? Passenger Rail
- Agency Priority? #2
- Other funds? **LTF and SB 1 (\$600,000)** (committed funding)

### Request:

- Amount? \$2,300,000
- Percent of Total? 79%
- What Phase(s)? Project Study, Environmental, Design, ROW, Construction
- When Needed? 2020

\*The SJRRC has not formally determined whether to build in Atwater or Livingston

# MAIN STREET CORRIDOR PROJECT

Livingston

**Total Project Cost:** \$13,000,000

**Measure Request:** \$11,345,000 in 2018 for multiple phases

Project Description: Complete street rehabilitation of Main St. and sidewalks from Swan St. to Peach Ave.

## Summary:

- Project Type? Complete Streets
- Regional Basis? On the Regional Road Network
- Agency Priority? #3
- Other funds? Unknown; Phase I completed (\$1,600,000)

## Request:

- Amount? \$11,345,000
- Percent of Total? 84%
- What Phase(s)? Design and Construction
- When Needed? 2018

## B STREET CORRIDOR PROJECT

Livingston

**Total Project Cost:** \$3,900,000

**Measure Request:** \$350,000 in 2020 for multiple phases

Project Description: Complete street rehabilitation of B St. including sidewalk and roundabout at Briarwood Dr.

Summary:

- Project Type? Traffic Flow/Complete Streets
- Regional Basis? Directly benefits more than one jurisdiction
- Agency Priority? #4
- Other funds? Unknown

Request:

- Amount? \$350,000
- Percent of Total? 9%
- What Phase(s)? Environmental and Design
- When Needed? 2020

## HIGHWAY 59 BLACK RASCAL BRIDGE

Merced

**Total Project Cost:** \$4,090,000

**Measure Request:** \$460,000 in 2018

Project Description: Widen Black Rascal Bridge to a four lane structure

### Summary:

- Project Type? Road Capacity
- Regional Basis? On the State Highway System
- Agency Priority? #1
- Other funds? Apply for Federal Highway Bridge funding

### Request:

- Amount? \$460,000
- Percent of Total? 11%
- What Phase(s)? Project Study, Environmental, Design
- When Needed? 2018

## HIGHWAY 59 PHASE 1 (16<sup>TH</sup> TO OLIVE)

Merced

**Total Project Cost:** \$5,944,300

**Measure Request:** \$746,580 in 2018

Project Description: Widen Highway 59 from 16<sup>th</sup> St. to Olive Ave./Santa Fe Drive; construct new sidewalk

### Summary:

- Project Type? Road Capacity
- Regional Basis? On the State Highway System
- Agency Priority? #2
- Other funds? Unknown

### Request:

- Amount? \$746,580
- Percent of Total? 13%
- What Phase(s)? Project Study, Environmental, Design, ROW
- When Needed? 2018

# HIGHWAY 59 PHASE 2 (OLIVE TO YOSEMITE)

Merced

**Total Project Cost:** \$18,879,885

**Measure Request:** \$3,879,885 in 2018

Project Description: Widen Highway 59 from Olive Ave./Santa Fe Drive to Yosemite Ave; construct sidewalk; install new traffic signals

Summary:

- Project Type? Road Capacity
- Regional Basis? On the State Highway System
- Agency Priority? #3
- Other funds? Unknown

Request:

- Amount? \$3,879,885
- Percent of Total? 20%
- What Phase(s)? Project Study, Environmental, Design, ROW
- When Needed? 2018

# PARSONS AVENUE BRIDGE

Merced

**Total Project Cost:** \$2,850,000

**Measure Request:** \$350,000 in 2018

Project Description: Construct new bridge at Parsons Ave over Bear Creek

Summary:

- Project Type? Road Capacity
- Regional Basis? Directly benefits more than one jurisdiction
- Agency Priority? #4
- Other funds? Unknown

Request:

- Amount? \$350,000
- Percent of Total? 12%
- What Phase(s)? Environmental, Design, ROW
- When Needed? 2018

# PARSONS AVENUE CORRIDOR

Merced

**Total Project Cost:** \$33,400,666

**Measure Request:** \$33,400,666 in 2018

Project Description: Construct new road from Highway 140 to Stretch Rd., overpass at BNSF Railroad, new bridge over Bear Creek.

Summary:

- Project Type? Road Capacity
- Regional Basis? Located in two jurisdictions
- Agency Priority? #5
- Other funds? Unknown

Request:

- Amount? \$33,400,666
- Percent of Total? 100%
- What Phase(s)? Project Study, Environmental, Design, ROW, Construction
- When Needed? 2018

# BELLEVUE ROAD PROJECT

Merced

**Total Project Cost:** \$41,374,909  
**Measure Request:** \$10,528,389 in 2018

Project Description: Widen Bellevue Road from Highway 59 to Lake Rd. with center median; install traffic signal

Summary:

- Project Type? Road Capacity
- Regional Basis? On the Regional Road System
- Agency Priority? #8
- Other funds? Joint project with UC Merced (G St. to Lake Rd.)

Request:

- Amount? \$10,528,389
- Percent of Total? 25%
- What Phase(s)? Environmental, Design, ROW
- When Needed? 2018

## HIGHWAY 59 PHASE 3 (YOSEMITE TO BELLEVUE)

Merced

**Total Project Cost:** \$12,000,000

**Measure Request:** \$840,000 in 2018

Project Description: Widen Highway 59 from Yosemite Ave. to Bellevue Rd.; construct sidewalk and bike path; install new traffic signal

### Summary:

- Project Type? Road Capacity
- Regional Basis? On the State Highway System
- Agency Priority? #9
- Other funds? Unknown

### Request:

- Amount? \$840,000
- Percent of Total? 7%
- What Phase(s)? Environmental Review
- When Needed? 2018

# CHILDS AVENUE PROJECT

Merced and County

**Total Project Cost:** \$18,372,382

**Measure Request:** \$18,372,382 in 2018

Project Description: Realign Childs Ave; construct sidewalk; reconstruct MID canal underground

Summary:

- Project Type? Complete Streets
- Regional Basis? Located in two jurisdictions
- Agency Priority? City - #6; County - Tier 3
- Other funds? Unknown

Request:

- Amount? \$18,372,382
- Percent of Total? 100%
- What Phase(s)? Project Study, Environmental, Design, ROW, Construction
- When Needed? 2018

## MISSION AVENUE RECONSTRUCTION

Merced and County

**Total Project Cost:** \$9,535,823

**Measure Request:** \$3,126,227 in 2018

Project Description: Reconstruct Mission Road from Highway 99 to Highway 59 (two lanes)

### Summary:

- Project Type? Reconstruction
- Regional Basis? On the Regional Road Network
- Agency Priority? City - #7; County - Tier 2
- Other funds? Potentially RTIF

### Request:

- Amount? \$3,126,227
- Percent of Total? 33%
- What Phase(s)? Project Study, Environmental, Design, ROW
- When Needed? 2018

## HIGHWAY 140/PLAINSBURG ROUNDABOUT

County

**Total Project Cost:** \$4,750,000

**Measure Request:** \$450,000 in 2018

Project Description: Construct a roundabout at Highway 140 and Plainsburg Rd.

### Summary:

- Project Type? Traffic Flow
- Regional Basis? On the State Highway System
- Agency Priority? Tier 3
- Other funds? None

### Request:

- Amount? \$450,000
- Percent of Total? 9%
- What Phase(s)? Environmental and Design
- When Needed? 2018

# ATWATER-MERCED EXPRESSWAY (PHASE 1B)

County

**Total Project Cost:** \$62,000,000

**Measure Request:** \$13,500,000 in 2019

Project Description: Construct AME Phase 1B from Green Sands Rd. to Santa Fe Dr.

Summary:

- Project Type? Road Capacity
- Regional Basis? On the Regional Road Network
- Agency Priority? Tier 1
- Other funds? **MCAG for PSR (\$500,000)** (committed funding)

Request:

- Amount? \$13,500,000
- Percent of Total? 21%
- What Phase(s)? Environmental and Design
- When Needed? 2019

## BRADBURY ROAD RECONSTRUCTION

County

**Total Project Cost:** \$950,000

**Measure Request:** \$950,000 in 2018

Project Description: Reconstruct Bradbury Road from Highway 165 to Highway 99

### Summary:

- Project Type? Reconstruction
- Regional Basis? On the Regional Road Network
- Agency Priority? Tier 3
- Other funds? **Measure V Local** (committed funding)

### Request:

- Amount? \$950,000
- Percent of Total? 100%
- What Phase(s)? Design, ROW, Construction
- When Needed? 2018

## SANDY MUSH ROAD PHASE 1 (59 TO TURNER ISLAND)

County

**Total Project Cost:** \$3,520,000

**Measure Request:** \$3,520,000 in 2018

Project Description: Reconstruct Sandy Mush Rd. from Highway 59 to Turner Island Rd.

Summary:

- Project Type? Reconstruction
- Regional Basis? On the Regional Road Network
- Agency Priority? Tier 3
- Other funds? **Measure V Local** (committed funding)

Request:

- Amount? \$3,520,000
- Percent of Total? 100%
- What Phase(s)? Design and Construction
- When Needed? 2018

## SANDY MUSH ROAD PHASE 2 (99 TO 59)

County

**Total Project Cost:** \$2,010,000

**Measure Request:** \$2,010,000 in 2018

Project Description: Reconstruct Sandy Mush Rd. from Highway 99 to Highway 59.

### Summary:

- Project Type? Reconstruction
- Regional Basis? On the Regional Road Network
- Agency Priority? Tier 3
- Other funds? **Measure V Local** (committed funding)

### Request:

- Amount? \$3,520,000
- Percent of Total? 100%
- What Phase(s)? Design and Construction
- When Needed? 2018

## WASHINGTON ROAD PROJECT

County

**Total Project Cost:** \$1,510,000

**Measure Request:** \$1,510,000 in 2018

Project Description: Reconstruct Washington Rd. from Highway 59 to Indiana Rd.

Summary:

- Project Type? Reconstruction
- Regional Basis? On the Regional Road Network
- Agency Priority? Tier 3
- Other funds? **Measure V Local** (committed funding)

Request:

- Amount? \$1,510,000
- Percent of Total? 100%
- What Phase(s)? Design and Construction
- When Needed? 2018

## ATWATER-MERCED BIKE PATH

County

**Total Project Cost:** \$5,250,000

**Measure Request:** \$1,000,000 in 2018

Project Description: Construct a Class I Bike Path from the City of Atwater to the City of Merced

### Summary:

- Project Type? Active (Bike/Ped)
- Regional Basis? Regional Bikeway
- Agency Priority? Atwater – Yes; County – Tier 3
- Other funds? Apply for ATP and possible Measure V Local from Atwater, Merced, and County

### Request:

- Amount? \$1,000,000
- Percent of Total? 19%
- What Phase(s)? Environmental and Design
- When Needed? 2018

## BELLEVUE ROAD CONNECT TO HIGHWAY 99

County

**Total Project Cost:** \$3,350,000

**Measure Request:** \$150,000 in 2018

Project Description: (Re)construct Bellevue Rd. from Parade St. to Grove Ave.

### Summary:

- Project Type? Reconstruction
- Regional Basis? On the Regional Road Network
- Agency Priority? Tier 2
- Other funds? None

### Request:

- Amount? \$150,000
- Percent of Total? 4%
- What Phase(s)? Environmental and Design
- When Needed? 2018

## MCKEE ROAD PEDESTRIAN BRIDGE

County

**Total Project Cost:** \$2,800,000

**Measure Request:** \$250,000 in 2019

Project Description: Construct a pedestrian bridge at McKee Rd to connect north and south ends of Michael O’Sullivan Bike Path

Summary:

- Project Type? Active (Bike/Ped)
- Regional Basis? Directly benefits more than one jurisdiction
- Agency Priority? Tier 3
- Other funds? **Measure V Local, SB 1** (committed funding)

Request:

- Amount? \$250,000
- Percent of Total? 9%
- What Phase(s)? Environmental and Design
- When Needed? 2019
